

## Form 6: Summary of Community Involvements

List **all** of your community involvements from your first year in high school to the present. List them down in chronological order and spell out acronyms. You can list as many community involvements in the table below. This list will help you come up with your **5 Most Significant Community Involvements**.

1. This profile shall only include civic engagements and community service involvements done voluntarily, separate from and independent of academic requirements. This includes work done in the barangay, a charity or non-government organization, or a church, or done in connection with the school's extension or social development services.
2. For the LEVEL Column, use this legend: I – International; N – National; R – Regional; P – Provincial; C – City; S – School
3. All items must be arranged in chronological order from most recent to earliest.
